Deadline Extended to File Disaster Unemployment Assistance Claims for Many North Carolina Counties

RALEIGH — The United States Department of Labor has extended the filing deadline for Disaster Unemployment Assistance (DUA) for 28 counties in North Carolina until October 31, 2018.

Residents in the following counties have until **October 31, 2018** to file for DUA benefits: Beaufort, Bladen, Brunswick, Carteret, Columbus, Craven, Cumberland, Duplin, Greene, Harnett, Hoke, Hyde, Johnston, Lee, Lenoir, Jones, Moore, New Hanover, Onslow, Pamlico, Pender, Pitt, Richmond, Robeson, Sampson, Wayne, Scotland, and Wilson.

Workers who became unemployed as a direct result of the effects of Hurricane Florence impacting North Carolina, may be eligible for unemployment insurance benefits under the DUA program. Business owners affected by the storm may also qualify for benefits.

Workers or business owners meeting the following criteria may be eligible for benefits:

- Individuals who are unemployed due to the disaster, and do not qualify for regular unemployment insurance benefits.
- Self-employed individuals and small business owners who lost income due to the disaster.
- Individuals who were prevented from working due to an injury caused by the disaster.
- Individuals who have become the major supplier of household income due to the disaster-related death of the previous major supplier of household income.
- Individuals who are unable to reach their jobs or self-employment locations, because they must travel through the affected area and are prevented from doing so by the disaster.
- Individuals who were to commence employment or self-employment, but were prevented from doing so by the disaster.

DUA is funded entirely by the federal government. Individuals will file first online for regular unemployment insurance. If an individual is determined ineligible for regular unemployment insurance, or has exhausted their regular unemployment insurance benefits, a DUA claim can then be filed online at des.nc.gov. Individuals will need their Social Security number, copies of their most recent federal income tax forms or check stubs, or documentation to support they were working or self-employed when the disaster occurred. To receive DUA benefits, all required documentation must be submitted within 21 days from the day the DUA application is filed.
