CHARGING OF BENEFITS - NO RESPONSE/NO NEW ISSUE RAISED

You are the last employer and also a base period employer. Noncharging of benefits is determined based upon the reason for separation from your company.

Form NCCLM 500AB, Request for Separation Information From Employer, was not returned to us timely to determine if noncharging should be allowed.

-OR-

Your response on Form NCCLM 500AB indicated that the separation was the result of the 'Inability to Perform Available Work' or 'Lack of Work' for the claimant. This response did not raise a previously unreported separation issue.

If the claimant is found eligible for benefits based on the reason for separation that was provided, your account will be charged.
