Overpayment Balance of \$823.27

Dear JACK T HOOVER,

We have not received your installment payments for the following number of months: 0, totaling \$382.99. This may have been an oversight on your part; however, N.C. Gen. Stat. § 143-533, provides that employees of the State and certain local education systems, non-salaried public officials and legislators who owe money to the State of North Carolina must make full restitution of the amount owed as a condition of continued employment.

If payment is not received on or before September 1, 2018, we will have no alternative but to ask your employer to assist us in the collection of the referenced overpayment. Please go online at [des.nc.gov](http://des.nc.gov) and make a one-time payment, or send a check/money order payable to the **North Carolina Division of Employment Security** to the address listed below so that this action may be avoided. Please include the last four digits of your Social Security Number on your check or money order.
