Unemployment Insurance benefits are taxable and must be reported as income on your federal and state tax returns. You may elect to have DES withhold a portion of your benefits each week to meet your tax obligation. If you do not elect to have taxes withheld, you may make estimated tax payments. For more information contact the Internal Revenue Service (IRS) at www.irs.gov or the NC Department of Revenue at www.dornrc.com. The DES Debit Card is the default method for paying benefits. It can take up to 10 business days for you to receive your card. You may elect to have your benefits directly deposited to your bank account by going to www.ncesc.com and click the link [Update Bank Account Info for Payment of Benefits](#) to request direct deposit of benefits. For tax withholding click the link [Update Federal/State Tax Withholding Rate](#). If you provide this information online you do not have to return this form to the address or fax number below. The withholding and/or direct deposit will begin after we receive and process this form.
